Re: Request for Rate Relief to SCE&G Rates Pursuant to S.C. Code Ann. § 58-27-920  
**Docket No. 2017-305-E**

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") respectfully files pursuant to Public Service Commission Order No. 2017-68-H this letter as a Reply to South Carolina Electric & Gas Company's ("SCE&G") Response to ORS's Brief in Support of the Motion to Amend Request.

ORS reasserts that the underlying facts support ORS's request in its Motion to Amend that the Commission also consider in this docket the most prudent manner by which SCE&G will enable its customers to realize the value of the monetized Toshiba Corporation ("Toshiba") guarantee payment and other payments made by Toshiba towards satisfactions of its obligations to SCE&G. SCE&G stated in its most recent Form 10-Q that the proceeds will be utilized to benefit SCE&G's customers. It follows logic, practicality and judicial economy that the proceeds should be considered in setting fair and reasonable rates in this docket and pursuant to S.C. Code Ann. § 58-27-920. ORS respectfully requests that its Motion to Amend be granted.

By copy of this letter, ORS is serving a copy of the Motion to Amend on all parties.

Sincerely,

Shannon Bowyer Hudson
